Subject: Region 3 NATA slides
Attachments: 2014 NATA Results Briefing for R3 staff.pptx

Hi Alice –

As we discussed on the phone, we've briefed *staff* in a few other regions and wanted to offer the same opportunity to you. (I'm not sure who needs to have these, so please forward as appropriate. Thanks!)

The attached powerpoint contains an overview of NATA and its development, followed by some Region 3 specific results. National-level results and more development details are in the appendix. These are the slides we would use in a meeting, and are still happy to do so when it is convenient for you. You may see the region 3 table tomorrow at the RA meeting, so please let me know if we can answer any questions about it for you ahead of time.

Please note, the moving forward and communications slides were developed some time ago and are constantly in flux, so please consider those dates draft.

Thanks,
Darcie
